IN THE SPECIFICATION

On page 11, please replace the second full paragraph as follows:

The invention in one further preferred form could be arranged to display a contoured representation of data superimposed on a graphical spatial representation of the premises of the merchant generated by the system. Contoured representations are further described in our patent specification PCT/NZ00/00099 published PCT WO 00/77682 A1 to Compudigm International Limited filed on 14 June 2000 published on 21 December 2000 entitled "Data Visualisation System and Method" which is incorporated by reference.
